

MSD OF WARREN TOWNSHIP

WCHS/WCC Showcase Combined With CareerFest 2012 Scheduled for February 16, 2012

On Thursday, February 16, 2012, from 6:00 p.m.-8:00 p.m., Warren Central High School and Walker Career Center will host their first ever Showcase in conjunction with CareerFest.

The Showcase will include teachers from all departments who will share information and answer questions about all classes and extracurricular activities. This is a great opportunity for parents and their children to get the information they need to make wise course choices for the 2012-2013 school year. Visitors will also be able to take guided tours of the high school and career center. The Warren Central Media Center will be open for career exploration.

CareerFest will feature booths and activities designed to help students gather information about careers and the exciting options available to them after high school including jobs, apprenticeship and military opportunities, as well as, postsecondary school options. CareerFest will raise excitement about the future and better describe how doing a good job in school NOW makes an incredible difference to students.

Parking will be available for CareerFest in Lots 8 and 9 at Warren Central, which are located east of the WCHS football field. After parking, participants may take a short stroll to CareerFest via the door just off parking lot 9 (Door 62), the WCHS main entrance (Door 1) or WCC main entrance (Door 70).

More information about CareerFest may be obtained by phoning Mrs. Cindy Frey, Assistant Director of the Walker Career Center, at 532-6150.

This event is open to the Warren Community and surrounding communities and will provide visitors with a fun-filled evening as they explore Warren Central High School and the Walker Career Center.
