

Regulations Regarding Pesticide Use on School Property  
2011 PESTICIDE NOTIFICATION REGISTRY

The Indiana Pesticide Review Board has regulations that impact how school corporations may use pesticides on school grounds. MSD Warren Township follows these guidelines and we are inviting parents and guardians to join our Pesticide Notification Registry. By signing up for this registry, you will be notified at least 48 hours prior to a pesticide application at your child's school, subject to certain exceptions. If you would like to participate, please complete the required information below and return this form to your school. You will be invited to sign up for this notification EACH SCHOOL YEAR.
