- Five State Football Championships

**Warren** students, kindergarten through 12th grade, follow a **balanced calendar** which includes 3 instructional sessions; a 2-week break in the fall, winter, and spring; and an 8-week summer break. This calendar allows for a more continuous flow of instruction so that review is lessened.

## Access to information for parents

- Parents have 24/7 access to grades, attendance, discipline records, and lunch money through the district's Parent Portal.

**Children** as young as 3 years old can enroll in preschool at the Warren Early Childhood Center. Preschool classes are staffed with licensed teachers. Contact 317.869.4750 for more information.

The 2011-2012 school year begins on August 1. Contact 317.869.4300 for registration information.

## Warren has what you want in a school district:

- Quality Academic Performance
- Student-focused programs, K-12
- Latest education-related technology
- Experienced, caring faculty and staff
- Exciting extracurricular opportunities

# The Future Begins Here in Warren Township!

## Quality education for students

Warren offers a grade level configuration of kindergarten through 4th grade in our **elementary** buildings and grades 5 and 6 are housed in our **intermediate academies**.

- **Full-day kindergarten** -- Students attend school full day in order to provide them with a good foundation
- **Spanish** -- offered to students in grades 4-6
- **The Arts** -- Art, Music, and Physical Education are taught by specially certified teachers ~ The Arts are Alive in Warren!

In a positive, safe environment, staff at our **middle schools** (grades 7-8) provide excellent learning opportunities for students. In addition to a strong academic core of language arts, math, science, and social studies, students are exposed to a variety of related arts opportunities to ensure a well-rounded learning environment.

### Related Arts:

- Industrial Technology
- Computers
- Orchestra
- Band
- Vocal Music

## Getting Ready for College and Career at Warren Central and the Walker Career Center

Are you looking for a “**school within a school**”?  
to be employment-ready upon graduation?  
to earn college credit while in high school?

**Warren Central High School** students have the opportunity to choose from over 600 different course offerings to meet their individual needs.

- Our **Ninth Grade Academy** offers students a close-knit atmosphere of a **school within a school**. Administrators and counselors are assigned to the Academy to assist students with the transition from middle school to high school.
- Students can graduate with the skills and **industry certification** necessary to gain employment right out of high school. Whether working your way through college or following a career path, these skills will put you ahead of the game!
- **Over 2000 college credits** have been earned by students enrolled at Warren Central High School. Students can leave high school with a jump start on college credits at a much lower cost.
- ROTC, Advanced Placement classes, and a wide variety of world languages - **Chinese, Japanese, Spanish, Latin,** and **German** - can all be part of a student day at Warren Central High School.

**Walker Career Center** is dedicated to training students for a lifetime with over 20 course offerings. *Project Lead the Way's* Pre-Engineering, named in the top 25 in the nation, and *The Threshold* restaurant, one of the “hot” 100 in the United States, has placed Walker Career Center in an elite group of career centers in the nation.
